## BMW F 650 GS Graphic Kit 1 Parts List ATD-BMWMGRPH18

Installation Tip: Precut graphic pieces have been designed to fit along the F 650 Gs's distinct body lines as shown in the product image. We suggest dryfitting each piece prior to installation so as to become familiar with placement.

Fairing side pieces simply butt together during installation. We suggest installing the Fairing Side Upper pieces followed by the Fairing Side Lower pieces.
