Please Note: While vehicle manufacturers make a great effort to be uniform where the factory emblems are placed, there may be times in which they are slightly off or askew. Due to the fact that we cannot account for such occurrences, slight trimming around the emblem(s) may be required to balance the amount of outline exposed. Take great care in trimming to not cut into the vehicle's paint. If you are unsure of yourself with trimming, by all means, seek the assistance of a professional.
